

YMO Football 7-a side Tournament Application Form

Why this tournament is being held...

This tournament has been organised to develop unity and respect within the local community whilst also helping to show appreciation to all the services the NHS provides to the residents of Luton. All funds raised from entry fees for the tournament will be donated to L&D hospital (Children's Ward). We very much hope this will enable the hospitable to further equip itself in order to deliver a better service to the local community.

Omar Mannan

YMO Sports Secretary
